**NORDIC STAMP SHOW,
23. – 25. AUGUST 2019**

JOIN US IN NORWAY

Nordia 2019 is a nordic stamp show and without doubt the largest stamp exhibition in the nordic countries, next to Stockholmia 2019.

The 2019 show will be held in Grålum near Sarpsborg and not so far from Fredrikstad in south of Norway.

One hour drive from Oslo and half hour from Swedish boarder.

The intent is to create an exciting stamp show for both new and experienced stamp collectors. We hope to give every visitor both the pleasure of interesting stamp collection, and at the same time probably give a glance of Norwegian hospitality and culture.
